This competition will be run in accordance with USEF's COVID-19 Action Plan updated 9 December 2022, which refers to the local area's restrictions. Note: Sacramento County no longer publishes restrictions.

<https://www.usef.org/forms-pubs/XhKGVYiivTA/usef-covid-19-action-plan-for-operating>

- 1) All persons entering competition grounds are required to self-monitor their temperature once daily prior to entering the competition grounds. Anyone with a temperature of 100.4° F (38° C) or higher may not enter the facility.
- 2) The following individuals are not allowed to enter the competition grounds:
 - a) Anyone who exhibits COVID-19 symptoms, including a temperature of 100.4° F (38° C) or higher,

 - c) Anyone who has tested positive outside of the past 5 days, but is still symptomatic, or

This competition will be run in accordance with USEF's & California Department of Food and Agriculture's (CDFA's) biosecurity recommendations. USEF has not updated its recommendations since the 2022 outbreaks of Equine Herpes Virus (EHV-1) and Equine Herpesvirus Myeloencephalopathy (EVM) in California. Additional quarantines for EVM have been reported in 2023. CDFA reminds horse owners traveling with horses to participate in an equine event, that there is always disease risk when horses of unknown health status

are commingled for a show or competition. Compliance with basic biosecurity practices is an important factor in reducing risk of exposure to all contagious equine diseases.

For more information, please see

<https://www.usef.org/compete/resources-forms/competition-management/competition-safety-biosecurity> and https://www.cdfa.ca.gov/ahfss/Animal_Health/Equine_Biosecurity.html

This event is implementing biosecurity measures to ensure infectious disease agents are not introduced or spread at this event. All horses and livestock that enter the grounds may be subject to examination by event officials/designated representatives and/or State Animal Health official to determine if the animal is or has been infected/exposed, or are likely to be infected with, an infectious or contagious disease. If after such examination, an official believes the health condition of an animal will place other animals at risk, the officials may quarantine the animal(s) and others that may have been infected/exposed, or, if necessary, require movement of the animal(s) from the show grounds.

All participants must agree to fully cooperate with examining officials and abide by their decisions/instructions. Failure to comply with officials shall be grounds for immediate expulsion of the participant from the grounds and potential disciplinary action(s) by the sponsoring organization and local/state or federal officials. In the event of an emergency or infectious disease incident at the event, all participants and horses will remain at the venue until event management provides clearance for departure from the event premises. In the case of infectious disease event, event officials will evaluate individual horse disease exposure risk and provide owner/agents with follow up disease monitoring instructions. In the event movement restrictions are put in place, each owner/agent is responsible for the care and maintenance of their horse(s) on the premises.

- 1) **Cleaning and Disinfection Protocol:** Brookside Equestrian Center will disinfect all surfaces in every stall prior to the start of this event. Please note: due to dirt floors and porous wooden stall walls, disinfection cannot eliminate risk of exposure to pathogens.
- 2) **Healthy Horse Policy:** Upon arrival at the show grounds, the owner/agent shall sign a health certification statement (USEF horse event participation health declaration.pdf) attesting that the entered horse(s) arriving at the venue has/have been healthy with no clinical signs of a contagious disease or body temperature(s) above 102°F for the preceding seven (7) days. **If these statements are untrue, then the exhibitor shall leave the horse home and will receive a refund of all entries and fees except for the Office Fee.**
- 3) **No Fever Policy:** **Exhibitors shall check each horse's temperature at least once per day while on the show grounds.** Exhibitors, Owners, Trainers and anyone attending this event shall immediately report any suspicion of illness in horses, including a temperature over 102°F to the Show Secretary or Manager. The Secretary or Manager will then report as soon as possible to the show committee or Manager as appropriate for further action, including but not limited to calling the on-call veterinarian for consultation at the horse owner's expense or sending the horse home.
- 4) Exhibitors shall take all appropriate measures to limit horse-to-horse contact during this event. For multi-horse classes such as Hunter Under Saddle and Sport Horse Under Saddle, exhibitors shall keep at least 1 horse-length distance among horses during the class and shall line-up at least eight feet (8') feet apart.
- 5) Exhibitors shall limit access for Human-to-Horse and Horse-to-Horse contact as much as possible.
- 6) Exhibitors shall provide alcohol wipes or alcohol hand sanitizer products at their stall(s) or trailer(s) for use by people handling multiple horses to maximize biosecurity between horses.

In addition, the following biosecurity measures are recommended:

- All dogs on the event premises must be kept on a leash
 - Avoid sharing of equipment, to include tack, water buckets, brushes, etc.
 - Avoid use of communal water troughs
 - Avoid submerging end of water hoseAs in water bucket
 - Do not allow horses to drink directly from a water hose
 - void tying horses to fences or gates near the competition area
 - Cover all feed and hay to prevent access by vermin, birds or other animals
 - Thoroughly clean and disinfect all equipment before use at the home premises
 - Isolate and monitor all animals upon return to the home premises.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan[®]/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan[®]/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan[®]/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.
